Happy Thanksgiving, everyone! Let's leave it on that note. -MC-

I trust thou "ART" thankful for the "ART" we have. I know I am, but methinks we should have more support. But as long as the ARTISTS themselves keep on electing anti ART politicians and/or politicians who don't know the difference between ART and a blueberry bush (same thing) nothing will change. Also helpful would be if the ARTISTS themselves would become more politically active. This brings me to the final question. ART thou politically active or ART thou merely pushing paper around?
