Dear Mr. ....

Not far from where you reside beaches have been closed again by Health Authority  
Not far from where you reside also, boats are routinely emptying their human waste  
However, what I find most objectionable is that the public not only tolerates this

Dear Mayor and Council,

Colour me disgusted! I understand you are considering another unenforceable (at least  
I am in principle opposed to any additional restrictions on the rights of individuals for the  
good. If certain herbicides or pesticides that are PROVEN carcinogens are to be banned,  
Good government earns respect. Good laws will be obeyed. Bad laws will be disobeyed.  
Why waste the District's money and resources considering a ban on the use of pesticides?  
Just so you know where I'm coming from -- a few years ago I re-landscaped our front yard  
entirely. That is impractical, so I must resort to a herbicide. In our damp climate,  
I simply do not agree that municipalities should be regulating the use of herbicides.  
Education is the way to go. You have made a good start in that direction, and you
