Mr. Ridge:

There was indeed an announcement that the Alpine Strategic Study set for March would be postponed until April 11. You may wish to check with Mr. Erwin Torry as to the veracity of this statement. For the benefit of the public and for the record, I would appreciate acknowledgment of this fact.

You may be right that staff had in mind that such a meeting would be in the form of a workshop rather than as part of a regular agenda item. However, my personal understanding and that of the public at large at all times was that this issue would be dealt with in public.

Thank you,

Ernie Crist

Subject: Missing Agenda Item - April 11, 2005
Importance: High

Dear Mayor Harris: As I was looking at Monday, April 11th's Council Meeting Agenda, I noticed that the Alpine Recreational Strategic Study is not on there?? This is the second time it has been postponed! Why?

It is an important item that needs to be dealt with sooner than later. Also, I am tired of being given the runaround by DNV Staff while trying to get information. The concerned residents of the Upper Lynn Community have been informed about this change. I do know several neighbours who had made an effort to arrange appointments, dates, etc. in order to be present for the April 11th meeting. It is not easy for people up here, most who have other priorities, to do this. We hope to hear from you very soon as to why the further delay with this issue. Thank you.
