Subject: RE: Election

Hello .....

I am endorsing Wendy Qureshi and John Sharpe who because of their fundamentally different make up and level of understanding, could make a big difference. I have also endorsed Salim Kaderali for Council and David Sadler for Mayor.

CUPE is endorsing Salim Kaderali but not John Sharpe even though he is a member of a Trade Union. CUPE is also endorsing HARRIS THE WITCH-HUNTER OF ETERNAL SHAME. One thing is for certain, all the incumbents are guilty, not only of permitting gross incompetence, harassing and persecuting a democratic minority of Council, but also guilty of violating democratic procedure, the most serious of all crimes against the public since it means depriving the public from knowing matters they should know so they may help rectify shortcomings and worse. In my opinion, all the incumbents should be removed for even one bad apple will infect the good ones sooner or later.

Cheers, Ernie

Ernie,

I need some help w/ the candidates.  
All talk out of both sides of mouth.  
Who is serious about cutting cost & making decisions to live within our means.  
Seems to me that the Don Bell era has spent us into disaster.  
Can you help.  
Also, what is with the CUPE support for some of these candidates.

Deep Cove
