> Dear Mrs. Yakota (Nachiko).:

> Thank you very much for your kind words and your card. I can only tell
> you that despite all the frustrations of being on Council I received
> a great deal in return from the public. They have elected and
> re-elected me over and over again for 25 years and I am very much
> aware of what this means and I am truly humbled. Even when the going
> was tough I have felt that people were watching and providing
> spiritual support and guidance without necessarily speaking or
> writing.

> I truly appreciate your loyalty and I wish you and yours the very best
> also.

> Thank you again.

> Yours truly,

> Ernie
