Mayor Harris:

I had a bad cold last night and it affected my hearing. It also affected my state of alertness, I confess. It was like someone had hit me with a sledgehammer.

Be that as it may, I now see that I inadvertently voted in favour Bylaw 7352 Rezoning Bylaw 1171 which is the Chevron Bylaw and the Drive Through Restaurant. It was not my intention to vote in favour of the Drive Through.

I therefore request that you take note of this admission of error on my part and put it into the file.

The confusion on my part came about because although I am in support of the Rezoning Bylaw for the Chevron Canada Limited site to be closed to facilitate the Lynn Valley Library project I am not in favour of the Drive Through Restaurant which is part and parcel of this Bylaw as I understand it.

Thank you,

Ernie Crist
