hello,

this is Marc Castanyer, from Barcelona (Spain).

I'm writing you this mail because i've been told that you are thinking of closing the North Shore area to mountain biking.

i think you don't even imagine what NS means for us, bikers from the whole world.

we love to ride, and we love mountains. NS is one of the most impressive places to ride, and people from many countries try to go there to ride at least once in our lives. Many of us repeat, and go many times.

think of it, on how much does this place for your country, for your tourism, for your economy.

thanks a lot for your time,

greetings from Barcelona,

Marc
