Dear Jung Roe:

Your request for speed bumps will be noted and acknowledged by staff. However, your request will be far more effective if it were endorsed by your relevant Community Association.

There is one in your area and should you not know who it's present president is, than you may find out either, by phoning the Federation of North Vancouver Community Associations ( FONVCA) or the Municipal Clerk at 604-990-2207.

Yours truly,

Ernie Crist
