Corrie, John.....I imagine the defeat will appear in the NSN Friday or, more likely, Sunday. Most of Wednesday's paper will have been already set before end-of-day Monday. Only some earth-shattering news would have bumped the layout between midnight Monday and Tuesday's noon deadline.....but then, I've been out to lunch before!

Cheers,
Liz

Hi John,

Well, I guess this event was not very newsworthy. One would have thought that the defeat of an unfair bylaw which purported to impact some 15,000 residential homes and almost all businesses would have been something to report in the North Shore News. Makes one think that only bad news is newsworthy - or maybe I just missed it? Maybe the Outlook will report it.
