Corrie,

There should be a notice in today's Outlook and in the Friday and Sunday NSN inviting members of the community to provide input to the task force via email or regular mail.

I bring this to your attention because I believe you and other FONVCA members could make a valuable contribution based on your insights.

As of now, the task force is considering a fairly significant increase in the Mayor's remuneration (as essentially a full-time position, and with no adjustment since 1991), and some increase to that of Councillors although we are still debating what proportion of the Mayor's remuneration would be appropriate for Councillors.

Regards,
Bill
