Dear Mr Hamilton:

The motion below will come before Council on Monday June 13. There will be an opportunity for members of the public to speak in support of the motion or provide comment. The time allotted is 2 minutes per speaker and the time to speak is between 7 and 7:30 pm just prior to the actual beginning of the meeting when the motion will come up for discussion.

This of course, is provided there is a seconder to the motion. On all previous occasions when I raised this matter, my efforts in line with your concerns were ignored more or less especially by the then Mayor Don Bell. Also, the public at the time it seems, cared little or not at all.

For further information you may contact the Municipal Clerk Ms Agnes Hilsen at 604-990-2207.

Yours truly,

Ernie Crist
