Members of FONVCA

In alignment with our commitment outlined at the July 20, 2006 Post Financial Plan presentation to members of FONVCA, the District would like to invite members of FONVCA and other interested District residents to a presentation of the 2007 - 2011 Financial Plan on Thursday January 25, 2007.

Location: District Hall Meeting Room 'B'

The timing of this meeting is to facilitate an increased understanding of the 2007 Financial Plan and support additional public input.

The Financial Plan schedule calls for the Budget Presentation and Booklet Distribution to Council on January 22, 2007 and the Public Input Segment / Council remarks to be held at a Special Financial Plan meeting on January 30, 2007.

If you have any questions, please let me know.
