Dear association executive,

We are residents in the lower Capilano / Pemberton area residing at 1466 Hope Road. We are seeking any information that you would have regarding the Districts desire to make changes to Bowser Park. We are very concerned and will be looking into this with the District as soon as we are able. Bowser Park is an exceptional Natural Park – it is a little hidden gem in our Neighborhood. Any changes to this Park will certainly effect all that live in the area and appreciate the park.

Many thanks Best regards –

Adam, Susie and Zenna Wickstead.
