This is another example of the DNV Council being pro-development. As your reporter ([North Shore News](#)) points out, "No money is allocated for affordable housing."

Developers make too much money at the expense of DNV residents. There is no shortage of "market housing" on the North Shore.

All we get is more traffic and pollution and the developers reap the profits at our expense.

Council approves Lynnmour townhomes -- May 28 North Shore News.eml
