Dear Editor,

Re: The District is in the best kind of hot water [North Shore News, Apr. 20.] The header read "District of N. Van wins solar award.."

Kudos to the District of North Vancouver Council for approving and following through with this eco-friendly initiative. Well done!

I am also very impressed that you voted against the densification of Deep Cove.

Perhaps you are coming around to listening to the wishes of the people who live in the DNV! I sincerely hope so.
