Hi,

I'm writing on behalf of the North Shore Community Garden Society. I am hoping that you can help us advertise the new community garden through your group so that as many District folks as possible are aware of this opportunity. I have attached our posting and would ask you to distribute it through your existing mailings to help us with this communication.

If you have other suggestions for advertising this opportunity please let me know,

Best,  
Maja Regehr

# NEW COMMUNITY GARDEN COMING TO DEEP COVE AREA

The North Shore Community Garden Society has secured funding for our latest garden at Garibaldi Park, near Roche Point & Mount Seymour Parkway. Garden plots at Garibaldi Community Garden will be available to any District of North Vancouver (DNV) resident.

## HOW TO GET A PLOT

### Option 1:

Volunteer to help us build the garden! All volunteers will get priority for a plot. If there are more volunteers than plots, we will hold a random draw for a plot from the list of volunteers after construction is completed.

- Minimum of 4 volunteer hours (ex. digging, moving soil, constructing garden beds, planting)
- Volunteer Days will be on October weekends. If you cannot make it to these work parties, you can send a proxy on your behalf.

### Option 2:

Submit your name to our Garibaldi waiting list. This is a good option if you are unable to volunteer to help build the garden, but does not guarantee you will receive a plot right away. Once all volunteer builders have been assigned a plot we will hold a random draw for the remaining plots from the Option 2 list. If we don't have any plots left over, we will place your name on our wait list based on the date you first contact us expressing interest in a plot.

**Please submit your name, address, telephone #, email address, and whether you plan to volunteer by Sept 22, 2014. Send this information to: [garibaldiparkgarden@gmail.com](mailto:garibaldiparkgarden@gmail.com).**
