Dear Mayor, Council and DNV Parks: **How many more times will I have to send this? I have done so several times already. CLOSE LOWER GRIFFEN SWITCHBACK TRAIL!**

It has been made clear by DNV's resolve to keep this damaged, steep, winding trail open is just pure stubbornness on DNV's part. Or is it really because you are all afraid to say "NO!" to the NSMBA Shore Corp thug troops? **There are NO "good" excuses to keep this ever-eroding, and pond silting trail open! Please! CLOSE, DECOMMISSION it NOW!**

NSMBA "Shore Corps" troops (aka "Watchmen") Will DNV show real leadership and to say "NO" to these guys?
