Dear Mr. Maskall, et al.:

Don't let the "NSMBA - TAP Builders" touch this trail. It's not sustainable, especially for the frog pond! Please let this trail go "amazing" back to nature/restoration.

Thank you!
--Monica Craver--

<http://www.trailforks.com/report/49139/>
Big tree down about half way down. Armoring coming out in a lot of places. One of the only trails that's not amazing right now.
